BARR HILL®

TOM CAT 100
BARREL SELECTION PROGRAM

Participants will taste a range of barrels, select their own barrel and customize their label for a completely exclusive lot of Tom Cat at 100 proof. Only a small number of barrels are available for this limited allocation program, and it's the only way to purchase Tom Cat Gin at 100 proof.

DETAILS

- Only available in full barrels amounts - roughly 25 cases.
- Check with your Barr Hill rep about pricing.
- With a purchase of a full barrel - we invite you to keep the barrel.
- Please allow 10-12 weeks for a custom label or 6-8 weeks for standard labels with your logo on the side only.

Reach out to your Barr Hill rep to schedule a tasting and select your barrel.

ABOUT TOM CAT

Tom Cat Gin is an expedition into uncharted territories. Once distilled, we age the gin in new American oak barrels in search of a bolder expression. The robust character of the new oak barrel mingles with the coniferous quality of the juniper, yielding an enticing aroma. A touch of raw honey leaves this revolutionary spirit remarkably approachable, whether drinking neat or in a cocktail.

When the world called for whiskey, we answered resolutely with gin.
